

empowered citizens of the world.

We all know that happy pupils make better learners, but how many of us really take the time to teach pupils about values and why these are important? This blog explores how you can do that in 5 simple steps.

Be inspired

Take a look at how Brookfield Primary Academy has fully integrated Amazing People Schools into their curriculum, enabling them to teach pupils about character strengths, and helping them with their campaign to 'Say No To Racism.'

The fantastic team at Brookfield not only embraced the campaign by linking up with their local Football team, they also took part in VSS and Amazing People Schools' live sessions with esteemed guests, the captains of Chelsea and Fulham Football Clubs, streamed straight into their classrooms.

Brookfield Primary Academy
Learning, Excellence, Opportunity

"Amazing People Schools has enabled students to discover more qualities about themselves. It has developed their PRIDE in themselves."
Brookfield Primary Academy

BROOKFIELD CONTEXT

- Brookfield is located in the London Borough of Sutton. Pupils come from a wide catchment area across SouthWest London.
- The school cohort is diverse - 4% of children speak English as their second language (EAL), which is more than double the national average of 2%.

WHY DID BROOKFIELD PRIMARY CHOOSE AMAZING PEOPLE SCHOOLS?

Amazing People Schools was introduced into Brookfield Primary as part of a Trust-wide roll out of the digital platform across all LEO Academy schools.

KEY FACTS

Brookfield Primary Academy is a two-form entry school in Sutton, the London Borough of Sutton. There are 437 pupils in total.

Pupils are ethnically diverse with 47% having English as their second language. 18.5% of students qualify for free school meals.

Currently rated Good by Ofsted, Brookfield are part of the LEO Academy Trust.

18.5% Free School Meals

437 Pupils on roll

Brookfield Primary identified that its current classroom provision and resources did not adequately reflect the make-up of their current intake. In classroom textbooks, many of the names used were typically white British and with nearly half of the children using EAL, Brookfield needed a solution to increase ethnic representation and develop community and inclusivity in the classroom.

Amazing People Schools' digital learning platform and resources were introduced to highlight role models of different ethnicities, qualities and talents so pupils felt represented.

"You can't be it, if you can't see it!"

about.amazingpeopleschools.com

Don't Miss: Talk to Premier League Footballers!

We're excited to announce our next virtual event where your class will get the chance to speak with premier league footballers, and to learn all about what skills and attitudes they feel are important and why.

Pupils can ask the footballers questions in real time, which is super exciting and will not only help to inspire and motivate pupils, but it will also teach them about important life skills and character-building strengths.

It's a fantastic opportunity, not to be missed!
